

## About ResCare Illinois

ResCare Illinois has been helping consumers to reach their highest level of independence for more than 20 years. We are an industry-leading provider of residential services for consumers with intellectual and developmental disabilities (I/DD) including seniors. Over 400 of our dedicated and compassionate residential employees serve over 250 individuals daily. If you know of any individuals needing residential services, please reach out to one of our ResCare Illinois operations listed below.
